Old Business

***The 2019 Budget was reviewed and finalized

Items cut were

a new radar speed road sign (4 no to purchase... 1 yes)

a new lake patrol boat (3 no to purchase ... 2 yes)

*recommended to purchase a new police car and that old police patrol car be traded in and that useable equipment off car be saved for the purchase of a new patrol car

Items added

An AED machine that will be kept in the Sheriffs car that is on duty for the day

*** Recommended if monies allow that an AED be purchased now, and one be added in the 2019 budget

New Business

***Discussion on why 2 lake patrols are needed during the slow times during the week (Tuesday, Wednesday, Thursday. ** Recommendation the hours be shortened for the morning shift of these days

***Recommendation A second Lake patrol person/ boat, on Sweetwater during peak times (11-6) on Saturdays and holiday weekends. The Maintance pontoon can equipped and used for this

*** The physical address of the beach should be placed on the shelter at the beach and at Cordry Dock, for emergency purposes

***Security would like to be kept informed by Ecology and the (Deer Reduction Committee) on all information...example... guidelines, dates, concerns

*** Recommended that the Brown County and the CSCD Leash Laws be made aware of to all Freeholders via website, social media, news letter

Discussion on buoy placement and adding more buoys ...the buoy map will be consulted and addressed in July

CSLOA fireworks maps, dates were presented July 7 is fireworks with July 8 as rain date

Freeholder concern

Is a cell phone photo of the beach pass acceptable? ...discussion... This is not recommended due to a higher volume of non-freeholders that might gain access to pass
