WHEREAS, the Indiana Department of Local Government Finance (DLGF) in August of 2009 determined using their process and formula that the property tax levy amount for 2010 for the Cordry Sweetwater Conservancy District should be \$1,374,000 which combined with miscellaneous receipts, projected property tax receipts, and road tax receipts caused the 2010 projected receipts for the Cordry Sweetwater Conservancy District to be \$2,733,850;

AND WHEREAS, the Board of Directors of the Cordry Sweetwater Conservancy District established and approved in October of 2009 that the 2010 budget for the Cordry Sweetwater Conservancy District would be \$2,380,804;

NOW THEREFORE, BE IT RESOLVED, that the Cordry Sweetwater Conservancy District Board of Directors requests that the DLGF lower the property tax levy amount for 2010 to be no more than \$1,020,954 in order to make the amount of the 2010 projected receipts equal the 2010 budget for the Cordry Sweetwater Conservancy District.
