

**Cordry Sweetwater Conservancy District Security
Commission Minutes
April 13, 2021**

Meeting called to order at 7:00 p.m.

Present: Matt Petersen, Marcia Harper, Harry Sherman, Elaina Deiner, CSCD Employee Sgt. Jimmy Green, CSCD Employee Riley Ferguson

Absent: Cathie Brown

Prior Minutes: February 9, 2021 Minutes reviewed and approved.

Chief Deputy Report: See attached

Conservancy Report:

- Security Financials sent to the Security Commission for review. Our deputy has done a great job at limiting spending in the first quarter and currently projecting at or below budget spending for the remainder of 2021. Two larger purchases so far in the first quarter include the new patrol truck and the (6) new illuminated buoys that were requested by Security for 2021.
- Gave current rules and resolutions specifically dealing with wake enhancing devices to the Security Commission. These are the current rules that should be enforced until otherwise changed.
- The maintenance crew will begin (re)setting buoys the week of April 19th. With the freeze-over of the lakes, many buoys are displaced. Decision needed on where to place the new illuminated buoys.
- Both patrol boats are in the water and ready to go. Josh Hawley is meeting with boat patrol staff on May 1st. The following weekend (May 8th) boat patrol will be running on weekends. Daily boat patrol begins on Thursday, May 27th.
- Josh will be meeting with Beach and Marina employees on May 1st. Both sets of employees will begin the Friday of Memorial Day Weekend.

Freeholder Concerns:

- None

New Business:

- Wake enhancement discussion regarding how rules can be made that reflect the new and changing technology that allows many types of wake enhancing devices. Will look at new rules that are coming out in new rule book and modify.
- Discussion on where to place illuminated buoys.
- A freeholder wants to have a car club cruise-in once a week across from the beach. Elaina to follow up with freeholder to gather more information.
- Concerts- The CSCD has asked that freeholders let the office know when and where they are having live music so the boat patrol can be made aware in advance.
- Looking further into boater safety online course.
