Director of Operations Report

Mr. Johann gave his report which included the 2026 paving budget and approved items.

Mr. Johann discussed the Hummingbird Drive culvert installation project.

Mr. Harper suggested Mr. Johann discuss the project with Roger Young to see if an easement is necessary.

New Business

There was discussion on the Cedar drive drainage. There was discussion on adding rip rap to the ditch on Ms. Sinex's side of the road and sending that water into the culvert by the wall. There was discussion on adding a culvert on Mr. Rhodes property to send the water on his side of the road into that culvert. There was discussion on whether erosion control was needed on Mr. Rhodes property where dirt was spread.

Speed Hump discussion

Mr. Jarrett discussed his opposition to speed humps on the main roads of the district. Mrs. Golias (representing the security commission) discussed the complaints of speeders and how the security commission felt the speed humps would reduce speeding and help make roads safer.

Mr. VonHoven made a motion to recommend speed humps on Sunset Dr. (near the beach), Greywolf Dr, Hackberry Dr, Grizzly Dr., and Eagle Dr. Mr. Trueblood seconded. Motion passed.

Commission Members Comments

None.

Adjournment

As there was no other business before the Commission Mr. Harper made a motion to adjourn, Mr. Trueblood seconded. The meeting adjourned at 5:45 p.m.
