

***CORDRY-SWEETWATER CONSERVANCY DISTRICT***

**RESOLUTION NO. 2022- 06**

**RESOLUTION DECLARING ZEBRA MUSSELS A NUISANCE AND ESTABLISHING  
CLEANING REQUIREMENTS FOR CERTAIN WATERCRAFT AND EQUIPMENT  
PRIOR TO LAUNCHING ON CORDRY AND SWEETWATER LAKES**

**WHEREAS**, the Cordry-Sweetwater Conservancy District ("CSCD") is an Indiana Conservancy District organized and operating pursuant to I.C.14-33; and,

**WHEREAS**, the affairs of CSCD are managed by a Board of Directors authorized to exercise general supervision of and make regulations for the administration of the affairs of CSCD; and,

**WHEREAS**, the Board of Directors of CSCD has determined that zebra mussels pose an immediate and significant threat to the ecology of Cordry and Sweetwater Lakes; and,

**WHEREAS**, the Board of Directors of CSCD has determined that, in order to protect Cordry and Sweetwater Lakes from significant damage which would be caused to the lakes if zebra mussels were introduced into the lakes, it is necessary to adopt rules and regulations applicable to certain watercraft and equipment which could introduce zebra mussels into Cordry or Sweetwater Lake.

**NOW BE IT THEREFORE RESOLVED** by the Board of Directors of the Cordry-Sweetwater Conservancy District that:

1. Zebra mussels are hereby declared a nuisance and a significant threat to the ecology of Cordry and Sweetwater Lakes.
2. All watercraft and non-motorized watercraft, required to obtain a boat decal and all communal trailers that move boats to and from multiple bodies of water, and any other equipment which could potentially introduce zebra mussels into Cordry or Sweetwater Lake, must be decontaminated or quarantined prior to launch for use on Cordry or Sweetwater Lake. Decontamination or quarantine shall occur if the boat, trailer, or other equipment enters or is used on ANY body of water other than Cordry-Sweetwater Conservancy District waters.
3. Decontamination shall occur utilizing one (1) of the following options:
  - (A) Boats, trailers, and associated equipment shall be pressure washed with water at a minimum of 140 Fahrenheit (F), no chemicals needed. This will occur at a location determined by the CSCD and have 24/7 access.
  - (B) Boats, trailers, and associated equipment shall remain in quarantine for five (5) days prior to launch. Boats, trailers, and equipment may be wiped dry by a towel, but all components of the boats and trailers must be completely dry before launching, including hulls, bilges, live wells, carpet on trailers, etc. If this option

is selected, the five (5) day quarantine shall occur.

- (C) Boats, trailers, and associated equipment shall be cleaned using a ten percent (10%) bleach solution with a contact time of five (5) minutes. Boats, trailers, and equipment must be washed and cleaned before the solution is applied. The less corrosive chemical, Virkon Aquatic, may be used at a two percent (2%) solution with a ten (10) minute contact time. Any solutions must be washed off of boats, trailers, and associated equipment after expiration of the minimum contact time. Cleaning shall occur at a location determined by the CSCD.
4. All boats, trailers, and equipment to which this rule applies must be cleaned and free of debris, mud, or scum, prior to arriving at the decontamination/quarantine site.
5. Operators to whom this rule applies should work with the Boat Steward or self-decontaminate/quarantine.
6. A violation of this rule shall result in immediate loss of lake privileges granted to the owner of the boat, trailer, or equipment and to the boat, trailer, or equipment for 365 days from the date of the offense.
7. Operators utilizing boats, trailers, or equipment on the waters of Cordry or Sweetwater Lake in violation of this rule shall be deemed trespassers upon the waters of Cordry or Sweetwater Lake. The CSCD or its designee is hereby authorized to enforce these rules, to declare violators to be trespassers and to take all actions necessary, including referral to local law enforcement, to secure compliance with these rules.
8. This Resolution shall be in full force and effect from and after its adoption.

*Adopted this XX<sup>th</sup> day of XXXX, 2022.*
